T.C. 285 CitriKleen

WHERE TO USE

- Engine degreasing
- Cosmoline removal
- Adhesive removal
- Aviation repair facilities
- Dip cleaning of tools & parts
- Rubber tire marks
- Printing presses

PROPERTIES

Fragrance	Citrus
pH at 10% dilution with H ₂ O	8.9
Color	Colorless
Water rinseable	Yes
For non-conductive cleaning	No
Residue	Trace
Flash point [undiluted] T.C.C.	Flash point is over 145°F /not a hazardous waste
Flash point [diluted with H ₂ O]	None
Evaporation rate	Good
Density	0.803
Corrosion to metals	None
Hazardous ingredients as identified by the EPA Code of Federal Regulations Section 261.31	None
Solvency	Good
Safety on Painted Surfaces	Good

SAFETY

Keep out of reach of children. Product is for industrial and institutional use only by trained personnel. Material Safety Data Sheet available.

CAUTION: Contains petroleum distillates. Do not take internally. Harmful if swallowed. Avoid skin and eye contact. Keep away from heat, sparks and fire.

FIRST AID: In case of contact, flush eyes and/or skin with water. If swallowed, do not induce vomiting. Get medical attention immediately.

DIRECTIONS FOR USE

Although this product is safe to use on most surfaces, be sure to pre-test before using.

Dip cleaning: Dip part into solvent. Allow to soak until grease and foreign matter are loosened. Remove and dry.

Parts washers: Spray parts completely with solvent, brush parts and repeat. Spray to rinse.

Spray cleaning: Spray solvent on parts and motors using a coarse, heavy spray. Wipe or allow to air dry.

AUTHORIZATION

Authorized by the USDA for use in federally inspected meat and poultry plants and Classification C-1 for use on all surfaces in inedible product processing areas.
