T.C. 905-X Multi-Purpose Alkaline Cleaner

DESCRIPTION

T.C. 905-X is a medium duty, multi-purpose alkaline cleaner that provides excellent penetration of numerous soils. Soil removal is rapid, and the rinsing results in a film-free surface.

USE

Use concentration ranges from 1:5 to 1:100 depending upon the operation and soil conditions encountered. It can be used in car and truck washing, steam cleaning, aircraft exterior cleaning, degreasing, and general cleaning.

SPECIFICATIONS AND PROPERTIES

| | |
|------------------|-----------------|
| Form | Clear liquid |
| Odor | Mild |
| Specific gravity | 1.048 |
| Foam | Medium to high |
| Rinsing | Complete |
| Wetting | Excellent |
| Alkalinity | Medium |
| Causticity | No free caustic |

SAFETY

It is safe on metals including aluminum, magnesium, brass, and zinc, and it is also safe for painted surfaces. T.C. 905-X is personnel safe.

CAUTION

Contains alkaline material. Avoid eye and extended skin contact. Should contact occur, flush skin thoroughly with water; flush eyes with water for 15 minutes and seek medical attention.
