## **T.C. 963 Alkaline Steam Cleaner**

### **DESCRIPTION**

T.C. 963 is a heavy-duty, alkaline steam cleaner that provides excellent penetration of numerous soils. Soil removal is rapid and rinsing results in a film-free surface.

### **USE**

Use concentration ranges from 1:15 to 1:100 dependent upon the operation and soil conditions encountered. It can be used in car and truck washing, steam cleaning, aircraft exterior cleaning, degreasing and general cleaning.

### **SPECIFICATIONS**

Form	Clear Liquid
Odor	Mild
Specific gravity	1.048
Foam	Medium to high
Rinsing	Complete
Wetting	Excellent
Alkalinity	Medium

### **SAFETY**

Safe on metals including aluminum, magnesium, brass, zinc, and also painted surfaces. It is personnel safe.

### **CAUTION**

Alkaline material. Avoid eye and extended skin contact. Should contact occur, flush skin thoroughly with water; flush eyes with water for 15 minutes and seek medical attention.
